   c) Roth 457(b) Contribution. Effective January 1, 2012 and thereafter, a Participant who is an Employee of a Designated Roth Employer shall be permitted to make Roth 457(b) Contributions from his or her Compensation by designating an amount of his or her initial authorization or modification authorization described in Sections 3.1(a) and 3.1(b) as Roth 457(b) Contributions, which designation shall be reflective the first pay period following the month in which the request was executed thereafter.

e) **Employer Contributions.**

a) **In General.** The aggregate amount of Before-Tax Deferrals and Roth 457(b) Contributions that may be deferred or contributed by a Participant for any Plan Year shall not exceed the lesser of:

i. An amount as may be permitted pursuant to Section 457(e)(15) of the Code, and

ii. 100% of Participant’s Includible Compensation for the Plan Year

Provided, however, the maximum amount that a Participant may defer or contribute for any Plan Year may be calculated after accounting for mandatory and permissive payroll deductions, as reasonably determined by the Employer.

b) **457 Special Catch-Up Contributions.** In any one or more of a Participant’s last three calendar years ending before the year in which the Participant attains Normal Retirement Age, the Participant may elect to make Deferrals in an amount not exceeding the lesser of (1) twice the dollar amount permitted as a general deferral under Section 3.1 or (2) the sum of the maximum deferral permitted under Section 3.1 for the current tax year and as much of the applicable deferral limit under Code Section 457(b)(2) in prior years before the current tax year that had not previously been used (“underutilized amount”). For purposes of this Section, a prior year will be taken into account only if such year began after December 31, 1978, and the Participant was eligible to participate in the Plan during all or a portion of the prior year. A Participant may only make this election under this subsection once with respect to any plan under Code Section 457(b) of the Employer.

c) In determining a Participant’s underutilized amount, the Plan will take into consideration:

1. Prior to 2002, if a Participant made Deferrals to the Plan and deferrals to any other plan under Code Section 457(b), salary reduction contributions made to plans under Code Section 401(k), plans under Code Section 403(b), simplified employee pension (SARSEP) plans under Code Section 402(h)(1), simple retirement accounts under Code Section 408(p), and amounts deferred under any plan for which a deduction is allowed because of a contribution to an organization described in Code Section 501(c)(18), such deferrals to the other plans will be taken into account in determining a Participant’s underutilized amount under Code Section 457(b)(2). In addition, Includible Compensation will be limited to the limitation in effect in the calendar year in which the deferrals were made. If such deferrals cumulatively exceed the then-applicable dollar amount in Code Section 457(b)(2) in the year that such amounts were deferred, then there will be no underutilized amount for that year.

2. To the extent that the Employer did not maintain a plan under Code Section 457(b), no underutilized limitation is available to a Participant for that prior year.
After 2001, only deferrals to plans under Code Section 457(b) will be taken into account for purposes of determining the underutilized amount.

Age 50 Plus Catch-Up Contributions will not be taken into account for purposes of determining a Participant’s underutilized amount.

d) Age 50 Catch-Up. All Amounts Deferred or Contributed in accordance with Article III shall be paid by the applicable Employer or payroll center as promptly as possible to the Recordkeeper. Thereafter, Amounts Deferred or Contributed shall be invested by the Recordkeeper, in accordance with the investment instructions, as soon as administratively practicable.

4.2 Allocation of Deferrals and Contributions.
A Participant who has enrolled in the Plan pursuant to Article II shall, by filing a direction with the Recordkeeper in writing or in such other manner as the Executive Officer may authorize, specify the percentages (in multiples of one percent) of his or her Amounts Deferred or Contributed that shall be allocated to each Investment Option made available by the Committee. A Participant’s investment allocation elections shall be applied in the same manner to both Before-Tax Deferrals and Roth 457(b) Contributions. All such Deferrals and contributions shall be invested by the Recordkeeper in the Investment Options in accordance with such direction(s) as soon as administratively practicable.

4.3 Continuation of Deferral and Contribution Allocation.
Any deferral and contribution allocation direction given by a Participant shall be deemed to be a continuing direction until changed by the Participant. A Participant may change his or her deferral or contribution allocation direction with respect to future Amounts Deferred or Contributed, by completing and submitting a newly executed Participation Agreement or in such other manner as the Executive Officer may authorize to the Recordkeeper or Administrative Staff. Any change to a Participant’s deferral and contribution allocation direction shall be applied in the same manner to both Before-Tax Deferrals and Roth 457(b) Contributions. All such future Deferrals and contributions shall be invested by the Recordkeeper in the Investment Options in accordance with such changed direction.
4.4 Transfer of Assets among Investment Options.

a) **Transfer of Assets.** As of any Valuation Date, a Participant may direct the Recordkeeper, by giving notice in writing or in such other manner as the Executive Officer may authorize, to liquidate his or her interest in any of the Investment Options and transfer the proceeds thereof to one or more other Investment Options in proportions directed by such Participant. Participants may make separate transfer directions for their Before-Tax Deferrals (and Accounts relating to Rollover Contributions involving Before-Tax Deferrals) and their Roth 457(b) Accounts (and Accounts relating to Rollover Contributions involving Roth Contributions). Such direction must be made in accordance with the requirements and procedures established by the Committee and in effect at the time and in multiple of one percent or one dollar increments of the Participant’s interest in the applicable Investment Option.

b) **Committee’s Right to Reduce or Deny Transfer Request.** If the Recordkeeper, or the Committee otherwise determines, that it is not reasonably able to prudently liquidate the necessary amount and transfer it from one Investment Option to another, the amount to be transferred with respect to each Participant who duly requested such a transfer may be reduced in proportion to the ratio which the aggregate amount that the Recordkeeper has advised the Committee may not prudently be transferred bears to the aggregate amount that all Participants have duly requested be so transferred. Regardless of any Participant’s investment direction, no transfer between Investment Options may be made in violation of any restriction imposed by the terms of the agreement between the Committee or Recordkeeper providing any Investment Option or of any applicable law.

4.5 Administrative Actions with Regard to Investment Directions.
The Recordkeeper shall have the right to decline to implement any investment direction upon its determination that: (i) the person giving the direction is legally incompetent to do so; (ii) implementation of the investment direction would be contrary to the Plan or applicable law or governmental ruling or regulation; (iii) implementation of the investment direction would be contrary to a court order, including a Qualified Domestic Relations Order; (iv) implementation of the investment direction would be contrary to the rules, regulations or prospectuses of the Investment Options.

4.6 Participant Responsibility for Deferrals, Contributions and Investment Allocations.
Each Participant is responsible for the allocation of his or her Amounts Deferred or Contributed, and each Participant is solely responsible for the investment allocation of his or her Account, in each case, in and among the Investment Options. The Committee, Executive Officer, Administrative Staff and Recordkeeper are not empowered or authorized to advise a Participant as to the manner in which the Participant’s Account shall be allocated among the Investment Options. The fact that a particular Investment Option is available to Participants for investment under the Plan shall not be construed by any Participant as a recommendation for investment in such Investment Option. If the Committee has elected to make available investment guidance services or investment advice services to Participant such services shall be utilized only at the voluntary election of the Participant, and shall not limit the
Participant’s responsibility under Section 4.6 for the allocation of his or her Accounts in and among the Investment Options.

4.7 Investment Allocation of Alternate Payee Accounts.
Notwithstanding any other provision of the Plan, during any period when an Alternate Payee Account is created and segregated on behalf of an Alternate Payee pursuant to a Qualified Domestic Relations Order from the Accounts of the related Participant, the Alternate Payee shall be entitled to direct the allocation of investments of such Alternate Payee Account in accordance with Sections 4.2 and 4.4, as applicable, and shall be subject to the provisions of Sections 4.5 and 4.6, but only to the extent provided in such order. In the event that an Alternate Payee fails to specify an investment direction on the date of creation of the Alternate Payee Account pursuant to Section 4.9, such Alternate Payee’s Alternate Payee Account shall be invested in the same manner as the relevant Participant’s corresponding Before-Tax Deferral Account, Roth 457(b) Account and Rollover Accounts on such date and, except as otherwise provided by the Qualified Domestic Relations Order, shall remain invested in accordance with such initial allocation until the Alternate Payee directs otherwise or until such time as the Alternate Payee ceases to have an Alternate Payee Account under the Plan by reason of distribution or otherwise.

In the event that a Beneficiary fails to specify an investment direction on the date of creation of the Beneficiary Account pursuant to Section 4.4, such Beneficiary’s Beneficiary Account shall be invested in the same manner as the relevant Participant’s corresponding Before-Tax Deferral Account, Roth 457(b) Account and Rollover Accounts on such date.

Unless otherwise directed by the Participant, the same deferral and contribution allocation direction applicable to a Participant pursuant to Sections 4.2 or 4.3, as applicable shall apply to all Section 457 Transfers and Rollover Contributions. Notwithstanding the foregoing, in accordance with procedures established by the Recordkeeper, a Participant may make an alternative initial allocation election in accordance with the procedures set forth in Section 4.4 for any applicable Section 457 Transfer or Rollover Contribution. Thereafter, such Participant may direct the Recordkeeper to liquidate his or her interest in any of the Investment Options and transfer the proceeds thereof to one or more other Investment Options in accordance with Section 4.4 (in each case subject to the limitations set forth in Sections 4.5 and 4.6). All Rollover Contributions shall be invested by the Recordkeeper in the Investment Options in accordance with such directions as soon as administratively practicable.

4.10 Fund Mapping or Similar Activity.
Notwithstanding anything in Article IV to the contrary, if the Committee eliminates one or more of the Investment Options or undertakes similar activity on behalf of the Plan, the Committee shall be authorized to liquidate without a Participant’s consent and without the need for prior
notice to the Participant the portion of each Account invested in such eliminated Investment Option and direct the proceeds of such liquidation in one or more remaining or replacement Investment Options in accordance with such liquidation and transfer procedures as the Committee may determine to be necessary or advisable in connection with such elimination.
