

# Connecting You to Health Insurance

Nevada Health Link, supported by state agency Silver State Health Insurance Exchange, is an online health insurance marketplace offering plans based on income. The Exchange also provides qualified individuals with federal tax credits and subsidies to help cover the cost of health insurance premiums.

## Who Benefits?

Nevada residents without employer based health insurance including, but not limited to:

- Families
- Self employed/under employed
- Hispanic and other ethnic populations
- Individuals
- Millennials 26+
- 55+ (not eligible for Medicare)
- Rural communities and Tribes

## Why Use Nevada Health Link?

- Choose from a variety of affordable plans certified by the state
- Peace of mind knowing you're buying from a local, authentic marketplace
- No one can be denied coverage because of a pre-existing condition
- Free assistance from licensed enrollment professionals
- Enrollment options include: in-person licensed broker offices, navigators and assisters, through your plan carrier, by phone at 855-7NVLINK or online at NevadaHealthLink.com

**OPEN ENROLLMENT IS  
NOVEMBER 1, 2016 - JANUARY 31, 2017!**
