SMALL BUSINESS IMPACT STATEMENT

To: All Interested Parties
From: Nevada Public Employees Deferred Compensation Program
Date: September 24, 2013
Re: Proposed Regulatory Update, LCB No. R066-13

The Nevada Deferred Compensation Program, 100 North Carson Street, Suite 210, Carson City, Nevada 89701 (775) 684-3397, has considered the impact of proposed updates to Chapter 287 of the Nevada Administrative Code on small businesses.

It is the belief of the Nevada Deferred Compensation Program (NDC) that the proposed regulation does not impose a direct and/or significant economic burden upon a small business. The NDC contracts with recordkeepers to provide voluntary tax-deferred compensation services to state and local government employees according to Internal Revenue Code Section 457(b).

No small businesses are allowed to participate in the program as it is restricted to government employees. Therefore, no small businesses were consulted.

A copy of all materials relating to the proposal may be obtained at the workshop or by contacting:
